

A refreshing collection with a "Pool mat" from the Blue and Lilirose ranges for little one.

The Kaloo "Pool mat" is a very smart activity center, round with three removable parts, which allows this product to evolve with your toddler! This refreshing bear from the Blue range and rabbit from the Lilirose range will welcome your baby from his very first weeks with heartwarming cuddles.

It encompasses several functions, making it one of our most versatile product ever:

- A 50 cm diameter inner ring has three toys, conveniently tucked in, which makes a great activity center.
- The bottom pad provides comfort and peace of mind whilst also providing a secure environment for your new arrival.
- The front side detaches easily with large safety buttons to become a comfortable Nursing Pillow (16cm diameter x 90cm length)
- The front end of the mat easily converts into a playful Changing Station (72cm x 63cm).
- The pad can be completely detached thanks to the safety buttons to become a Back Rest . (40 cm height)
